Arriving In Maumere

Please inform us in your reservation email if you wish to be picked up from the airport. We will also require the name of your airline company and the date/ time of your arrival. Airport transportation costs Rp. 210,000 each trip (per car).

Unfortunately, we do not provide any WiFi due to our secluded location. We are happy to provide a hotspot from our personal phone for emergencies but we advise all guests to purchase their own Telkomsel SIM card (it has to be registered with your passport in a Telkomsel office).

Reservations

Please send us your reservation requests either by email or WhatsApp. We usually reply to text messages in the evening.

If you change your mind about a booking or decide to cancel it, please inform us by email.

Confirming Your Booking & Deposits

Confirming your reservation will require the transfer of the whole sum of your accommodation fee or a **minimum of Rp. 500.000** per room within **14 days** of making the reservation to our bank account. Account details will be sent once the initial booking is done.

Until the fee transfer has taken place, your reservation can be cancelled either by you or by us. More about this in "short notice reservations".

Once the deposit has been made, you will receive a confirmation email.

It is important to note that deposits are non refundable!

Once you have made the deposit, your room will be reserved for one night following your initially planned arrival date, even if your trip or plane has been cancelled/delayed.

Money Transfer

Transferring money between Indonesian banks (BNI, Danamon, Permata, BCA, OCBC, etc) is relatively simple and will cost you about Rp.2,500 - Rp.15,000 in transfer costs. We recommend using WISE for international transfers.

Short Notice Reservations/ Can't Pay Deposits

You can still send us an email/ text message prior to your arrival. If we still have a free bungalow, we will reserve it for you. However, without confirming your reservation using a deposit, you are vulnerable to the following scenarios:

- If other guests wishes to extend their stay into your "reserved" room, our conditions will allow them to do so.
- Rooms which have been reserved without deposit will be held for you until 4pm on the day of your arrival (not taking into account delayed flights). After 4 pm, it will be provided to any internal/ external guest who requests it on site.

Please Bring Your Own Water Bottle!

We are trying our best to reduce the plastic waste produced by our establishment. Therefore, we do not sell sealed drinking water bottles anymore. You can refill your water bottle for free using our trusted, professionally filtered water at our restaurant and bar.

Please visit www.RefillMyBottle.com to see more places where you can refill your bottle, all over Indonesia!
